### REJECTION OF EXCESS UNINSURED MOTORISTS COVERAGE

In general, Uninsured Motorists Coverage provides insurance protection to an insured with respect to compensatory damages which the insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle or an underinsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

N.H. REV. STAT. ANN. § 264:15 requires umbrella or excess policies that provide excess limits to a motor vehicle liability policy to also provide uninsured motorists coverage unless you reject such coverage in writing.

As a result, if your policy is an umbrella policy or an excess policy, you may reject Uninsured Motorists Coverage in such policy by initialing and signing below. Rejection of such coverage by you shall constitute a rejection of coverage by all insureds, shall apply to all vehicles then or thereafter eligible to be covered under the policy, and shall remain effective upon policy amendment or renewal, unless you request such coverage in writing.
